Petitions Soon Ready For L.G. Lighting District

The formation of a lighting district in the business section of Lemon Grove is "almost a certainty" L.G. chamber of commerce manager Edwin Koester told the board of directors Tuesday.

He said that the district would be a block longer than originally planned. It will now include one block west of the plaza. Tacit agreements have been obtained from property owners representing 71 per cent of the assessed valuation of the property that will bear the cost of the district. Only 65 per cent are required, he said.

Petitions are being prepared by the SD Gas and Electric company. Boundary legal descriptions are being obtained by the Gasco firm currently, he added.

OWNERS WOULD PAY

The district would supply double-armed light standards along Broadway at staggered 150 foot intervals between Olive to Kempf streets. Property owners on both sides of Broadway would share the installation, upkeep and energy costs.

Much of the meeting was devoted to the perennial need for fund-raising.

The chamber faces the need for more than $2,000 to keep the office in operation for the rest of the year, according to President Charles Hesser.

Executive Officer Sam Pernicano offered to repeat the financially successful barbecue held earlier this summer as a fund-raising device. He said that most of the income could have been profit had someone donated the beef. Director Edward La Salle, who owns and operates a 3,000-acre ranch in Baja California, said that he would supply a steer without charge.

Pernicano was charged with setting the date and selecting officers who will have another community-wide barbecue.

The chamber office will operate on deficit financing until funds are available from the barbecue project.

President Hesser said his objective is to have the next chamber year begin without part of the future income committed.

School Budget Calls For $1,716,000

The 1961-62 budget for the L.G. school district including $70,000 federal "impact" funds was approved Tuesday night at the advertising public hearing of the school district board of trustees.

The budget totaled $1,716,866 and final adoption included changing $15,000 from the general reserve fund to the undistributed reserve funds to help soften the blow should the "impact" money, due under Public Law 874 not be restored by Congress.

L.G. Sewer Tax Up One Cent

SAN DIEGO (CNS)—A tax rate of 38 cents per $100 of assessed valuation, up a cent from the year before, was set for 1961-62 for the Lemon Grove Sanitation District at the Tuesday session of the County Board of Supervisors.

The Board, acting as directors of the district, adopted a budget calling for total appropriations of $100,443, compared with $114,064. There was a sharp drop in maintenance and operations, to $78,443 from $108,064. But total expenditures were boosted by $17,000 to be spent for a metering station.

The drop in anticipated operating revenues, to $12,300 from $37,550, requires more of the budget to be financed from taxes.

Protests Minimal On Colfax Curbs

SAN DIEGO (CNS)—Advertising for bids for installation of curbs and sidewalks in Colfax drive, Lemon Grove, was ordered Tuesday by the County Board of Supervisors.

It was also revealed that after the work is done the street itself will be paved at county expense.

Supervisors were told that the curbs and sidewalks project will be financed by the sale of 1911 improvement act bonds. Cost of the work was estimated at $9,118, and the 25 property owners on the street will be assessed $5.36 per front foot to pay for the project.

Two out of the 25 property owners protested the cost of the job, and Supervisor De Graff Austin called it "a most remarkable project" because of the small percentage of opposition.

Grossmont Hospital Asks For $86,000

SAN DIEGO (CNS)—Grossmont Hospital District will require $86,000 in tax revenues to operate for the coming fiscal year, the County Board of Supervisors was told Tuesday.

The sum will be used for payment of interest and principal on district bonds. It is the amount needed after estimates of revenues from hospital operations based on charges comparable with other non-profit hospitals in the area.

This information was given to Supervisors in two resolutions from hospital district directors, and the county auditor was ordered to set a tax rate to raise the required sum. Last year's rate was 22 cents.

AREA STUDENTS MUST ATTEND AREA COLLEGE

Students living in the Grossmont Junior College District must go to Grossmont College, according to a release issued by John A. Burdick, dean of student affairs there.

Medics Win On Zoning

SAN DIEGO (CNS) — Two applications for zoning variances in Lemon Grove were before the County Planning Commission Friday, and the commission approved one and denied the other.

The successful applicant was the L.G. Medical Group, but it has taken several tries to get approval from the commission for the group's plans to expand its existing facilities.

Friday the commission approved a variance to allow building 31 feet from the center line of Main street, instead of the required 75-foot setback, and 30 feet from the center line of Daytona st. instead of the required 40-foot setback on a side property line. The property is on the south side of Daytona, between Main and Olive.

A similar variance had been denied on June 23, and the medical group failed to file an appeal in time with the County Board of Supervisors. But the Board on July 18 authorized the group immediately to submit a new application for a variance, instead of having to wait the 90 days the law requires.

SECOND GETS NO

Less fortunate in a second appearance before the commission was Fred Brauer, who asked for a variance to allow him to build 10 feet closer to the street than the zoning requires, for eight lots in Drexel Manor, east of Skyline drive.

Byrl Phelps, engineer for the project, said the shape of the lots should allow the homes to be 40 feet from the center line of the street, instead of the required 50 feet.

Commissioner C. J. Martin reminded the applicant that the shape of the lots was as he designed them and that he had assured the commission when his tentative map had been approved he could put houses on the property.

Barrage Shatters Windows

San Altos School Reports Night Siege

Some 35 windows have been replaced at the San Altos Elementary School in Lemon Grove following a July 25 siege of malicious mischief. A barrage by BB guns and rock throwers shattered the windows.

Mrs. Betty Higgins Summer, principal, and Charles Blum, custodian, reported the incident to the sheriff's department.

Blum said that repairing of the windows cost about $200.

An outdoor loudspeaker was stolen at the same time the damage was done.

The incident occurred between closing time at 4:30 p.m. on July 25 and the following morning. Blum said everything was shipshape when he went home from work. The next morning he discovered that most of the windows on the west side of the school had been broken. They face a playing field. Other windows, too, had been shattered.

Deputy Sheriff Vern Kelley, who made an investigation at the school, said that the unknowns came on the schoolgrounds and went among the buildings in doing the damage.

Reader Finds Stolen Car

The observant eye of one of this newspaper's readers was responsible for the return of a stolen auto.

Milt Austin, manager of the Art Leitch real estate office on Imperial avenue, Lemon Grove, reported to this newspaper that he found his car missing when he went to use it to show a piece of property to a prospect.

Thursday, the day this newspaper is issued, Mrs. J. P. Singleton of 8540 Wade st., Lomita Village, reported to the county sheriff's office that a 1958 Chevrolet with licence numbers the same as those listed in the newspaper, was parked in her neighborhood. It was Austin's missing car.

MIGUEL PTA MEETS — Balmy weather and a refreshingly cool swimming pool was the setting on the evening of Aug. 2 for a pot-luck dinner and meeting of the Mt. Miguel PTA members and their husbands. A Really B.I.G. Campaign

A county-wide campaign sponsored by the S.D. chamber of commerce, is just getting under way. Its aim is to encourage interest in industrial development in S.D. county.

Under the euphemistic title of B.I.G. for Build Industrial Growth, the campaign is designed so that all city and county residents can participate. . .and help promote the program.

The program is timely. The national defensive mechanism buildup is just starting and it seems just about the right time to encourage some of the industrialists who will be aiding in the nation's effort to locate in or around San Diego.

The success of this effort would produce vital jobs and payroll to help bolster our area's economy. These jobs would provide a cushion against a recession as dramatic as the one we have just experienced.

B.I.G. is operated under the direction of the SD CofC Industrial Steering Committee whose chairman is Milton Fillius, Jr., executive vice president of National Steel and Shipbuilding Corp.

The program will have Industrial Drummers, 40 SD businessmen who have volunteered to call on prospects while making calls in other areas. An advertising program, with informational material to back it up, will be aimed at telling the county's story to the nation's businessmen. A local sales team of top-level businessmen will stand by to meet with visiting prospects to make sure the most favorable picture is given them.

Interestingly enough, the people who will ultimately benefit, the wage earner, will be called upon to help float the project. Soon, a quarter of a million postage paid envelopes will be distributed among county residents asking them to donate one dollar for the project. The money will be used soley in the program whose goal is 50,000 new jobs by 1970.

As operation B.I.G. is unfolded, we recommend that you view it sympathetically and give it whatever assistance you can.

State Rule Via Headlines

San Francisco's Assemblyman John Busterud, Republican caucus chairman, last week opened wider the chinks in the armor of Governor Pat Brown's leadership weaknesses.

Bustrud assailed the Governor for grabbing newspaper headlines by identifying himself with bills passed as the 1961 Legislature adjourned.

Busterud charges that Brown attempted to steal undeserved credit for certain bills through "deceiving and inaccurate publicity statements."

Eight bills Brown has identified himself with for headline benefits were spelled out by Busterud. Among Busterud's charges:

BUDGET: Brown's 2.6 million dollar budget is the highest in California history and is 35 per cent higher than the GOP '58-'59 budget. It creates unnecessary bureaucracy to the tune of 20,000 state employes and most likely will create the need for tax increases next year.

NARCOTICS: Brown takes credit for bills he threatened to veto when Republicans originally introduced them last Session.

WATER: Brown is ridiculously trying to take credit for 20 years of planning and surveying on California's 1.75 billion dollar water project.

WELFARE: While all Californians are concerned with the disabled and the unemployed, Brown talks welfare projects without reminding the people that the state's gigantic welfare tab must be paid right out of the taxpayer's pocket.

EDUCATION: Brown takes credit for the results of a nonpartisan citizens' commission on education. He fails to point out that he was responsible for the death of many of the Session's key education bills including a multiple textbook selection bill designed to eliminate the state's wasteful method of buying school textbooks.

GOVERNMENT REORGANIZATION: Brown claims to have found the answer to waste in government and duplication in services by lumping all commissions, agencies and bureaus into eight super-agencies with $25,000-a-year administrators. The cost of Brown's so-called 'elimination of waste' program would be $250,000 just for the first year excluding technical staff needs and related operating expenses.

UNEMPLOYMENT: Brown uses disability benefits and unemployment to garner potential votes but he fails to tell people the adverse effects these bills have on the business climate of the state. Adverse business climate creates unemployment and discourages new industry. Unemployment has grown under Brown.

JUVENILE COURT REFORMS: Brown proudly points to state law reforms on juvenile justice, the first in 45 years. The start of the reform was made when Gov. Goodwin Knight appointed the Juvenile Study Commission.

Let's Save The Goose First

An article appearing in the current issue of the AMERICAN PRESS, a monthly magazine serving the newspaper industry, follows our thinking so closely that we are reprinting it here with only minor changes.

"We think," said the editor," it is about time the government did a big relief job for small business.

By government definition, business is small if it does only a few million dollars worth of business a year. But we're talking about really small business—like many which gross nearer $100,000 a year.

And the relief we are talking about would not be in the form of a few crumbs tossed out by the tax bureaus, complicated possibilities for loans, or any other little legislative revisions. What we recommend is that small businessmen be given complete freedom to become bigger business—that they be excused from all taxes, all reports and be subject to a minimum amount of investigation until they become financially stable.

Undoubtedly many of the failures of small businesses have been caused, in large part, by the hours of time, the frustration, and the major expense entailed in trying to fulfill government requirements. Yet the "take" by government from the businesses which gross under $100,000 a year (and net practically nothing after the proprietor or chief

Emily Post On Bathroom Conduct

Don't Scream At The Strange Man In Your Tub

The question of what to do if you find a tall, youthful, blond man seated in your bathtub, uninvited and unexpected, at 3 a.m. was answered in a negative fashion last week by Mrs. Delorise Louise Brum, of 4626 Terry ln., Vista La Mesa.

She screamed! That apparently was wrong because he struck her about the head several times before he fled.

Mrs. Blum told sheriff's deputies that she had a flashlight investigating noise in the house while her three children were sleeping early in the morning July 30. The young man, barefooted, clad in a tee shirt and Burmuda shorts was sitting in the empty bathtub.

John McGrew, a neighbor at 4610 Terry ln. said his wife heard someone scampering over the fence about that time. Another neighbor, Mrs. Bernice Faulkner, 4302 Lois st., reported a prowler an hour earlier. Sheriff's men believe it could have been the same person.

Mrs. Brum was treated at Grossmont emergency ward.

LG Boy Hero In Saving Of Drowning EC Youth

A 13-year-old Lemon Grove boy made the newspapers by helping to save a drowning El Cajon boy last Sunday, July 30.

He is Tom McClure, son of Mr. and Mrs. Jim McClure of 8144 Roy st. in Lemon Grove.

"Anybody else would have done the same thing," Tom said when asked how he felt about saving a life.

He was on an outing with the Lemon Grove All-Stars at Shelter Island on San Diego bay when the incident occurred. He said he was swimming at a water skiers' take-off point.

Wearing a life preserver and fins, Tom was assisting the water skiers. One of them needed a life preserver before starting out and Tom was taking one to him that he had just been given for that purpose.

SAW BOY FLOATING

As he was on his way to the water skier, Tom heard shouting and about the same time he caught sight of Richard Hill, 15, floating semi-conscious in the water. Tom described his response as calmly taking the life preserver to Richard rather than to the waiting water skier.

Then a couple of men reached the scene and helped take the Hill boy ashore where he was given treatment before being taken to County hospital from where he was later released.

Tom said he thought the Hill boy had developed the cramps although some other people in the area said they thought the boy had hit something when he dove.

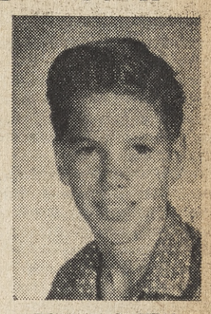
Tom added that person after person asked him to recount how he'd saved the Hill boy although Tom was in little danger and did something requiring only a few moments.

HE, TOO, WAS SAVED

Several years ago, remembers Tom McClure, he himself was saved from drowning. He was at a fresh water pond and a girl, maybe 17 or 18, dived in and saved him. In connection with that experience, he appeared on the television show I've Got A Secret.

WHAT WAS THE SECRET?

The girl was wearing pajamas which came off when she jumped in the water.



TOM McCLURE
Life Saver

Being a hero can have its risks. Everything went fine when he saved the Hill boy, Tom said. But a television newsman called his mother before she even knew about the incident. The newsman had the names reversed and for awhile Tom's mother thought he was the one who almost drowned. "Fine treatment for a hero's mom!" Tom said.

Army Steps Up Local Recruiting

The U.S. Army is stepping up its recruiting program in line with recent action to boost the armed forces. The following information has arrived from the recruiting office in La Mesa which is run by MSgt. Edward R. Edwards.

EX-PARATROOPERS WANTED

The U.S. Army is seeking ex-paratroopers interested in special forces training, as part of the build-up of the Nation's combat strength.

The big need is for veterans with combat arms training, or who are radio operators or medical aid personnel. Experience in these fields, though preferable, is not necessary, for special forces training includes instruction in these skills.

For information, go to the recruiting office at 8101 La Mesa blvd. or call HO 3-3114.

Lemon Grove Review Celebrates 14th Year Of Local News Coverage

The Lemon Grove Review observes its fourteenth birthday with this issue. Another year of news coverage for a growing, creative community has been completed. The paper, still only a teen-ager, has been a part of 14 of the area's most developmental years.

When 1961 is over, the paper will take a backward glance at the main stories of the year. In the present observance of our fourteenth birthday, we now review some of the stories of one year ago exactly.

The headline story in Vol. 13, No. 1—Aug. 4, 1960—was: Master Park Plan Ready For Study. In the story, Rev. E. Walter Smith, then president of the Lemon Grove Coordinating Council, was quoted as saying, "The plan should lead to definite action toward establishing the park."

He was right. A recent Review story was: Greenspot Park Gets Greenlight.

CHALLENGE MET

Another story was about how Lemon Grove merchants met the challenge of the new College Grove Shopping Center.

Still another frontpage story dealt with how local property owners were trying to do away with a Broadway bottleneck between Main and Olive streets. All property owners concerned were willing to go along with a proposal that would have gotten rid of the bottleneck, but federal regulations governing banking institutions prevented Southwest Savings from doing so.

The bottleneck still exists.

A one-column frontpage story of a year ago told about a rise in school tax in the district, and another frontpager announced that a Lemon Grove man, D. R. Gable, was elected to the chairmanship of a new committee to establish county road policies

PRETTY LADY

A picture of pretty Mrs. Bernard Gates of 8084 Imperial st. in Lemon Grove adorned the frontpage a year ago. A mother of seven children, she was photographed as queen of the San Diego County Sheriff's Relief Assn. rodeo.

On the church page a picture and caption described groundbreaking ceremonies for the Trinity Presbyterian Church which is now almost completed and which overlooks both Spring Valley and Lemon Grove from the top of a hill.

A full-page ad announced the opening of the new Grossmont hospital. Dedication ceremonies were on Aug. 15, 1960.

On the sports page a year ago was mention of Carman Ranch Swim Club as hosts of the annual AAU swimming competition. The story announced that two Carman Ranch swimmers broke records.

Question of the week: Should we invade Cuba?

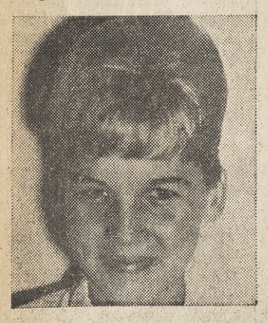
Ben Lenoue, sales representative for an oil company, 3189 Crane st., Lemon Grove:

BEN LENOUE

"No. It would lead to wholesale atomic war and besides there are more important trouble spots like Berlin. However, it is too late to do anything politically about Cuba and apparently the best measures we can take in combating Communism there are economic ones.

"We should spread our educational influence throughout the rest of South America because of other potential Cubas, such as Chili and Guatemala. It seems to me that the trouble with our present foreign policy toward Latin countries is that we tend to help the upper classes while Russia deals with the lower. Another trouble is that many of the Latin people are ignorant."

Linda Tollison, senior at Mt. Miguel High School, 3257 Kempf st., Lemon Grove:

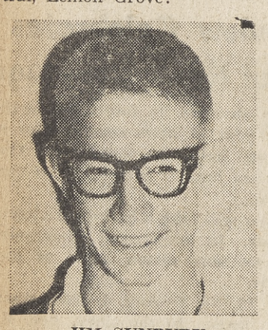


LINDA TOLLISON

"I don't want a war myself but if there's no other choice we should go to war. Like so many people, I have someone in the service—a boyfriend—and I believe we should have a conference with our enemies rather than fight.

We should have Castro come up here and talk to President Kennedy. We should have Khrushchev come to the meeting too. I've been hoping that world leaders could get together and talk things over. Maybe if they talk things over sensibly instead of behaving like little children something good could be done for the world."

Jim Sunbury, senior at Mt. Miguel High School, 7273 Central, Lemon Grove:



JIM SUNBURY

"Yes, we should invade Cuba. That country continually provokes us and the more it gets away with, the more it'll try to do. Although I don't think the Cuban government officially hijacked the airplane, it is holding the ship and we should tell Cuba we want it back or else will take drastic measures.

"Because Cuba is the part of the Soviet bloc closest to us we should stamp out the Red flame there lest it get any closer and also to prevent its spread to the rest of Latin America. I am very much in favor of letting Cuban refugees join our armed forces."

ALERT LADY STYMIES DAYLIGHT BURGLARY

An alert woman living on Lance street in Spring Valley is credited with preventing theft of a television aerial recently.

Mrs. Gwen Ellison of 8814 Lance observed a man on the roof of a house belonging to David Krugger, whom she knew to be on vacation. She said the man seemed nervous.

The man removed the aerial from its mounting and placed it toward the rear of the roof as if to make it ready for picking up later, she said.

Mrs. Ellison called the sheriff's department but the man had gone when they arrived.

VALLEY MAN SPOTS MISSING TOOLBOX

A Spring Valley man whose toolbox was stolen on July 24 found it himself by accident within an hour. Charles Crister of 839 Parkbrook, Spring Valley, said that after missing his toolbox at home about 5 a.m. he spotted it on a street corner several blocks from his home at 6 a.m. He was on his way to work.

He had reported the toolbox stolen from his pickup in front of his house and he called the sheriff's department again when he found it.

TOOLS TAKEN

Clarence Albert Long, 3607 King st., Lemon Grove, reported $80 worth of tools were stolen from his garage Saturday.

RAZOR REMOVED

An electric razor was taken Thursday from the seat of an auto owned by Ray Hayward of National City. The car was parked in the 7600 block on Broadway in Lemon Grove.

CHECK BOUNCES

Dalbert Boone, owner of Best Buy market, 7825 Broadway, is holding a check for $20 issued by a man who identified himself as Jimmy D. Emmett, about 35 years old.

He used a driver's license with an address 4670 73rd st., La Mesa on it. Police found the check-passer was a brother-in-law of the 73rd st. resident, and were informed that Emmett may now be in Georgia.

RESTROOM WINDOW IS DOOR IN THEFT

A thief or thieves who committed a July 26 burglary at Lido's Italian Foods, 7252 Broadway in Lemon Grove gained entrance to the establishment by climbing through a restroom window.

Among items missing were a German beer stein, candy, cigarettes, cigars and gum.

BIKE OF MOVIE FAN LOST HERE

A youthful showgoer's green and white Schwinn bicycle was stolen from the bike rack at the Grove theatre on the afternoon of July 22. Ray Miller, 10, of 2336 Loma dr. in Lemon Grove said he had failed to lock his bicycle and it was gone when he looked for it following the movie.

WALLET LOST

Her purse fell from her car as she was leaving her place of employment at Oscar's Drive In, 7400 Broadway, Lemon Grove, but Mrs. Cleste Doyle of 9040 Rosedale pl., Spring Valley, couldn't negotiate a U-turn amid Broadway's center islands in time to retrieve it.

She said she saw an aqua-white colored '56 Chevrolet station wagon pulling away from the curb near where the purse was dropped. The purse contained a driver's license, a pink slip and miscellaneous papers.

SHERIFF IS VICTIM

Deputy Sheriff Hal Johnson of the Lemon Grove sub station, was the victim July 29 of a drunk driver, who ran into his car parked on Main street outside the station, damaging the right front fender of Johnson's '59 Corvette. The driver of the other car was Morris Paul Hance, 7545 Mount Vernon Ave., Lemon Grove, who had been drinking at a nearby cafe for several hours. He had refused an offer to be driven home by William Eugene Margerun, and had hardly left the cafe before he tangled with the Johnson car. He was taken to the County Jail and booked.

SV Neighborhood Touchy Following Series Of Peepings

A peeping tom has stirred up the Spring Valley neighborhood at Crestmore drive and Del Rose and Woodhaven avenues.

So on edge are some of the residents that an investigating sheriff walked into the barrel of a shotgun of one of the alerted men, according to the sheriff's department.

Two residents, William J. Williams, 8811 Crestmore dr., and A. J. Diehl, 8806 Crestmore dr., complained to the sheriff's department that a prowler has been peeping into their windows since July 9.

These men believe they know who the peeping tom is, they told the lawmen. They think he is a man who also drives by and looks in the houses.

Sups OK Quarter-Million Dollar S.V. Sewer Outlay

SAN DIEGO (CNS)—A budget for 1961-62 for the Spring Valley Sanitation District calling for a capital outlay of $229,350, compared with only $38,500 last year, was approved Tuesday by the County Board of Supervisors.

Supervisors were acting as directors of the district, and the big boost in capital outlay resulted in $185,000 being set aside for sewer outfall and rights of way expenses for the line to be built down Sweetwater Valley.

In addition, treatment plant improvements are to cost $43,500 this year, compared with $30,000 in 1960-61.

Actual maintenance and operations costs are expected to be off this year. The budget calls for an appropriation of $176,125, compared with $202,603, for these items.

Total appropriations are to be $437,975, compared with $403,628. However, tax revenues are to supply only $90,238 of this, compared with $81,426.

The 1961-62 tax rate will be 53 cents per $100 of assessed valuation, against 52 cents for the preceding year. The small increase is accounted for by a boost in assessed valuations to $21,554,670, compared with $17,707,210.

Sheriff's Reserve Wants More Men

Able bodied men who would become members of the SD County Sheriff's Reserve may take part in the program ready to start at the Reserve Recruit Training School, soon to open, it was announced here this week by Capt. H. L. Fisher, commanding officer of the Reserve.

Applicants who wish to enroll in the fall classes should apply to the training division of the sheriff's office at 222 West "C" st., San Diego.

September classes will extend over a 12-week period. Instructions will include: Laws of Arrest, Search and Seizure, Jail Procedure, Rules of Evidence, Collection and Preservation of Evidence, Crowd and Panic Control, Narcotics, Patrol and Prowl Car Procedure, Police Defense Tactics, Civil Defense, First Aid and Firearm Training.

SHOW BOASTS HOMES FOR KIDS, TOO

Youngsters will be catered to at the 13th annual San Diego Home Show, Aug. 12-20, at Westgate Park in San Diego's Mission Valley.

As a matter of fact the small fry will have their own miniature home show to romp in. Nine playhouses, including a Hawaiian hut, tree house, wigwam and several conventional models will be set up in a special area. One of the tiny homes will be completely furnished according to Jim Wilson, Home Show director.

Adjacent to the homes will be a play area equipped with swings, slides and the like.

VALLEY YOUTHS ATTENDING SUMMER COURSE AT PASADENA PLAYHOUSE

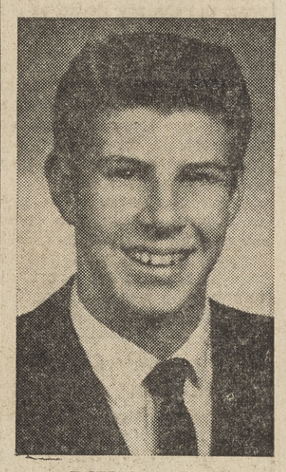
Two Spring Valley youths are attending a summer course at Pasadena Playhouse and the Foremost College of Theatre Arts. They are Kay Williams, 17, daughter of Mrs. June Blurton, 2145 Sweetwater rd., and Don Barlow, 19, son of Mr. and Mrs. Robert Barlow of

KAY WILLIAMS

1259 Darby st. in Spring Valley. Kay will be a senior at Mt. Miguel in the fall and Don is a graduate from that high school.

Both of them are noted for their work in speech and drama at Mt. Miguel. They feel that a stint at the Pasadena Playhouse might lead to real opportunities.

Victor Mature, Marlon Brando and James Dean are among movie greats produced by this playhouse.



DON BARLOW

Determination, work, a little talent and ambition are the requirements for being a good actress, Kay said. She feels that good looks aren't vital. Her movie idol is Anthony Perkins.

Don, who would like to enter the comedy field and combine pantomime with dialogue, also feels that a lot of work counts heavily toward acting success. He regards Red Skelton as tops.

Don rated second for the entire state at a California-wide speech tournament at Santa Barbara in April of 1960. His category was humor.

CHORAL CLUB

The San Diego Choral Club invites all women interested in choral singing to audition for membership in their organization. A trained voice is not a necessity but experience in church, high school or college choruses is advantageous. Those interested may call Mrs. Lawrence A Shaw Jr., membership chairman, AT 4-7078.

It's like having a supermarket in your kitchen when you have a modern electric freezer or one of the new refrigerator-freezer combinations. Homemakers today are finding exciting ways to use their freezers of economical food preparation all year long.

For helpful hints on freezing, you are invited to attend my cooking school this month. Entitled "Facts and Fancies about Freezing," the programs will be presented **Tuesday, Aug. 8,** from 10 to 11:30 a.m. and again **Tuesday, Aug. 29,** from 1:30 to 3 p.m. They will be held in the **air conditioned** auditorium of the San Diego Gas & Electric Company's Eastern District Office, 104 North Johnson Street in El Cajon.

We will demonstrate how to prepare all types of foods for the freezer including seasonal fruits and vegetables. Freezing jams and jellies is another popular trend today and we will show you suggested methods. One part of the program will be devoted to basic facts about freezing and how you can maintain the nutrition and flavor in frozen foods.

If you have special questions, we are planning a 15-minute question and answer session. Plan now to attend our program for ninety minutes of relaxed and air conditioned fun while we discuss the "Facts and Fancies About Freezing." There will be an automatic 18-cup percolator given away free and you may win! Admission, of course, is free.

Children Suspect In 10 Acre SV Grass Fire

Children playing with matches continue to plague the Spring Valley Fire Department as on July 26 this was thought to be the cause of a ten-acre grass blaze starting at 9234 Brookside Circle and continuing over to the State Division of Forestry boundary. The fire got into a grove of old avocado trees, but no extensive damage was reported. The Lemon Grove Fire Department did standby duty for the S.V. Dept.

False alarms have also been a common thing in the Spring Valley area these past few months, with two reported this past week. The first was on July 26, and turned in as a house fire on Osage street, in South Spring Valley. The second false alarm was on July 31, and turned in as a grass fire on Olive drive.

There were five ambulance runs for the week of July 25-Aug. 1.

Mrs. Zelma Wastle, 79, of 3602 S. Cordoba, was taken to County hospital on July 27 with possible rib injuries due possibly to a fall. On July 30 Mrs. Sarah Mathews, 79, of the same address was taken to County hospital with a possible fractured hip from a fall.

Roy V. Milgrin, 48, of 3701 Bancroft dr., was taken to an El Cajon doctor and returned home, after examination, on July 28.

Laurie Watkins, 19, of 1365 Walbollin, was taken to Bayview hospital on July 29 suffering from a possible fractured neck, due to a fall at home.

Mrs. Ola Oliver, 44, of 10451 Del Rio rd. was taken from a doctor's office to the El Cajon Valley hospital on July 31, due to a relapse from a recent operation.

CHILDREN'S ZOO DAY SET AT LA MESA

A zoo day is being sponsored by the La Mesa Park and Recreation department Fri., Aug 11. Children interested in going are to sign up with a leader at one of the following playgrounds:

Maryland, Murray Manor, Northmont, Lemon Avenue, La Mesa Elementary, La Mesa Dale and Rolando Elementary Playgrounds.

Busses are being furnished for the trip. They are to leave La Mesa Elementary at 10 a.m. and return from the zoo at 4 p.m.

Committees Chosen By V.L.M. PTA

New chairmen for the 1961-62 Vista La Mesa PTA year were chosen last week at a meeting at the home of Mrs. Ralph Christiansen, program chairman of the group.

New chairmen are: Mmes. Vern Buchanan, budget and finance; Andrew Olson, ways and means; Andrew Capp, child care and welfare; W. L. Birch, citizenship and home service; H. K. Thurslund, founders day; J. W. Forror, character and spiritual; J. V. Ugrin, junior high representative; Harold Walba, legislation; L. A. Gilbody, magazines and emblems; Ray Offutt, music; J. E. McManus, parent ed.; E. Fenwick, recreation and safety; Robert Adolph, telephone.

Tentative plans include a hobby and science show and an ice cream social to introduce new teachers.

College Board Approves Auditorium Committee

Concert Center May Be Built In Area

Organizing of a committee to see about building an auditorium in the East County area was approved by the Grossmont Junior College District at a recent meeting.

The Grossmont Community Concert Assn., led by DeGraff Stanley, president, requested the Junior College board of trustees to consider the community need for an auditorium. Others in the association are Mrs. John Floyd, Mrs. George Anderson, Colonel Resta, M. J. Shelton and Dick Dunlop.

Stanley's group said it could serve musical and other cultural needs.

The committee is to consider the auditorium as a building capable of serving the educational needs of the college as well as being a good place for concerts.

GIFT OF LAND

The concert association said it could provide certain equipment for the auditorium and that possibly a gift of land both for the building and a parking area might be forthcoming if the committee decides the project is feasible.

It was further pointed out that high schools in the area would find use for an auditorium in which to present music festivals and other events.

Letters TO THE EDITOR

Dear Editor:

In your issue of July 20, a writer takes me to task for asking about some towns showing a reduction in taxes upon incorporating. The writer seems to take considerable pride in being able to cite one—just one—shining example — Imperial Beach, which shows an almost microscopic reduction. In this connection, it might be interesting to note what the esteemed mayor of this pleasant community has to say on the subject.

He states that by holding tightly to a "frugal budget" the tax rate can be maintained; that is, by eliminating many items, one of which is road repairs. And, he added, roads are in bad condition. Still, what are a few chuckholes in the streets compared to the boon of living in a city?

TOWN IS YOUNG

Moreover, Imperial Beach is a youngster. Give it time. The roads will be repaired, and with the pressure groups that surround a tax-making unit as moths surround a flame, it will no longer have to hang its head in shame but will take its rightful place among the other free-wheeling spenders of incorporated towns.

The writer further intimates that the council to be chosen does not of necessity have to know anything about running a city. The problem is ridiculously simple: you merely hire a city manager and he takes over. And just where are we to find this paragon of character, experience, education and efficiency? Perhaps we might get one like they have in San Diego, one who does not believe the citizenry has the intelligence to vote on the question of parking meters, and who comes up with the grandiose pipedream of achieving economy by cutting down on the police and fire departments, then combining the two in a sort of hybrid with no distinctive features. Of course with a limited budget we could not get this kind of wisdom.

Still, we might come up with something comparable to the one they have in La Mesa. One who clings like a brother to his appointed police chief, a chief who seems to be endowed with a certain genius for keeping his department in such a brawl that nine of his officers quit in one day, with others forbidden even to speak to a member of the city council; a chief who raises innocent eyes to heaven protesting his ignorance that open gambling was being carried on in town and maintaining this pose even as the federal officers were carting out the paraphernalia.

And we are to have better police protection if we incorporate!

MAY BE DISCOURAGED

Perhaps if the proponents of this move to incorporate have been sampling public opinion, they may be feeling a chill of discouragement. For the "few stubbon" ones resisting progress, and who are "too lazy" to look up the lowdown seem to be the forefront of a swelling tide of protest.

Surprising as it may seem, there are not a few who like Spring Valley just as it is, one of the few remaining spots with a delightful, rural and unhurried atmosphere. It could be that such backward people are naive enough to believe that progress is not altogether a matter of houses standing shoulder to shoulder as far as the eye can reach, and the roar of strident traffic never stilled. But then, every community must have its quota of stubborn and lazy folks.

Now, if this present campaign is not to be an effort to establish the merits of the issue, but degenerates into a name-calling contest, we of the opposition willingly toss in the sponge and concede defeat.

Dear Editor:

On behalf of the officers and members of the L.G. Women's Committee of the Concert Association, I want to thank you and your newspaper staff for the splendid publicity given our organization during the past year.

We have made plans for four noteworthy activities for the year 1961-62 period.

Mrs. Fred Ward
Chairman, L.G. Women's Committee, Concert Assn.

Mrs. Fenneken Passes At 62

Private graveside services were held Wednesday for Mrs. Inez Cornell Fenneken, 62, who formerly lived at 4105 Conrad drive, Spring Valley.

She was a native of Kansas who lived in San Diego 40 years. She was a member of the DAR since 1919.

Mrs. Fenneken died in a hospital. She is survived by her husband, John H.

Fireman Lauds Public

The lack of fires in our area probably reflects people's fire consciousness, Capt. Mark Foote of the Lemon Grove fire department said lately. He said this is the dryest season in the 11-year history of the department and that a bad fire season is potential.

The department had three minor fires lately.

On July 30 a gas mower belonging to Albert Weedman of 1623 Main st. caught fire as he was using it, but there was little damage.

A short in a washing machine at 8118 Baldwin st., the home of C. J. Rehberger, brought firemen into action on July 27. Little damage was reported.

On July 26 a sizeable brush fire in the Spring Valley fire department's area of coverage required that Lemon Grove firemen stand by at Spring Valley fire station number one while those firemen fought the blaze. A column of smoke visible for many miles rose from the burning brush.

CAL WESTERN LAW SCHOOL ACCREDITED

The California Western University Law School, located at 1729 Fifth ave., San Diego, has been notified of its accreditation by the California Committee of Bar Examiners, it has been announced today by Robert K. Castetter, dean of the Law School.

The accreditation is retroactive to May 1, 1961, thus making the first graduating class in the three-year program eligible to take the August 1, 1961 Bar Examination, Castetter stated.

stockholder draws out enough for a meager living) is undoubtedly much less than the expense involved in policing these businesses.

Many bits of legislation are passed for the purpose of easing the problems of small business, but it usually takes a Philadelphia lawyer to figure out how a business might benefit by them. That tax law change last year, for example, which permits small corporations to file tax returns as though they were individual proprietorships, may have some benefits, but we haven't yet located an accountant who thinks the change is worth the bother. The revision is so bowed down with problems of timing, restrictions and problems of figuring out comparative benefits, that even the lawyers and accountants lose patience with it.

The greatest thing government could do for the small businessman would be to eliminate the need for him to take hours and hours from his work to handle government work in the form of records, reports and keeping up with changing laws. We would like to see both federal and state governments tell the small businessman: "Just forget the reports and taxes until you're big enough to matter. We'll be seeing you after you grow up!"

New B of A Vault Door To Clang Shut

Another phase in the completion of Bank of America's Sweetwater-Jamacha branch closed Wednesday when a huge steel door clanged shut.

The massive door, weighing 3½ tons, put the finishing touch on the fortress-like vault in the structure at 490 Sweetwater Rd.

The door was fitted easily into place with the help of a self-powered hydraulic machine invented by the bank's vault expert, Alex Bates. Nicknamed the "missing link," the hydraulic ram door erector handles doors weighing up to eight tons like so many feathers. It enables two men to complete an installation in half the time it used to take four men to do the job.

Composed of alternate layers of steel, the door is impervious to heat and proof against any drill yet invented. It has 20 locking bolts controlled by two combinations and a three-movement time lock. Once locked, it cannot be opened until the preset time has elapsed.

The vault itself is encased in steel reinforced concrete 12 inches thick, and together with the massive door is virtually invulnerable.

Finishing touches and installation of bank fixtures still remain before the new bank building will be ready. Completion is scheduled for next month.

Bargain In Paper Available

Looking for something for the child who has everything? How about a roll end of newsprint for the little darling?

At the tail end of each roll of newsprint, the Homeland Publishing company has a small roll of white paper left over. These vary in length from 33 inches to 63 inches and have 500 to 5,000 linear feet of clean, white newsprint on them. The paper makes excellent crayon drawing material for junior, may be used as dripcloths or dustcovers.

They may be obtained at this newspaper's printing plant at 7834 Lester avenue, Lemon Grove for 25c for the small rolls, 50c for the larger ones.

Harshman, James Wed In Double-Ring Ceremony

MRS. R. A. JAMES

The Foothills Methodist Church on Avocado boulevard, East Spring Valley, was the setting on the night of Friday, July 28, for a double-ring ceremony which united two Spring Valley young people in marriage. The bride is the former Miss Carol Ann Harshman, daughter of Mr. and Mrs. Fletcher Harshman of 9240 Vista Dr., Spring Valley. The groom is Robert Allen James, son of Mrs. Percy Waldron of El Cajon. Rev. James King, pastor of the Foothills church performed the ceremony and the bride was given away by her father.

Maid of honor was Bonnie Jean Yeaton; best man was Chester D. Harshman, brother of the bride; ushers were David Poe and Henry Graff; soloist was Bill Melton, and organist was Mrs. Michael Schmidt. Mary Weibel was in charge of the guest book.

The bride wore a ballerina-length gown of chantilly lace over white satin. Her teardrop pearl caplet held an elbow-length illusion veil. She carried white carnations. The maid of honor wore a robin-blue chiffon gown and carried white carnations.

The reception was held in the church social hall with Mrs. Lawrence Weibel helping the bride with the cake cutting. Refreshments were served by Mrs. David Poe and Terry Ann Weibel.

The new Mrs. James is a graduate of Mt. Miguel High School, class of 1960. She attended San Diego State College and was a member of the nursing club. Mr. James attended school in Prescott, Ariz.

Rebekah Lodge Holding Barbecue At Martin Home

Mesa Jewel Rebekah Lodge 409, Independent Order of Odd Fellows, will hold its annual bar-b-que chicken dinner Sunday, Aug. 6 from 12 noon until 6 p.m. at the home of Mr. and Mrs. Guy Martin, 326 Anza st., El Cajon.

Mrs. Martin is general chairman, assisted by Mrs. Louis Lyng, cochairman. Other chairmen are Mrs. Lola Johnson, Mrs. Richard Rodgers and Mrs. Pennelle Adams. Men assisting are Merrill Gillespie, Gordon Wright, Paul Hoss and Huntington Fish.

Mrs. Paul Hoss, noble grand and Mrs. Harvey Webber, vice grand, will be hostesses for this event.

SMALL BUSINESS AIDS U. S. SAVINGS BOND PROMOTION

WASHINGTON, D.C., Aug. 1—Small business does a big job for the U. S. Savings Bond Payroll Savings Plan, according to the Treasury Department.

In a public service newspaper ad released as part of the Bond program's 20th anniversary observance, the Treasury saluted the thousands of smaller employers who have taken initiative in installing and promoting this automatic thrift plan for their employees' benefit, often without professional help.

HIGHEST PAID DANCER IN DRAMATIC ROLE

Marge Champion returns to the La Jolla Playhouse to play the role of Camilla Jablonski in the play "Invitation To a March" which opens Friday.

She and her husband, Gower, are the highest paid dance team in the world. The role at Jolla is a dramatic one and requires no dancing, however.

LEMON GROVE SPRING VALLEY

SOCIETY

W.C. JUNIORS TO AID RETARDED PROGRAM

Several "coffees" will be given by the Lemon Grove Woman's Club Juniors to support their youth project for the coming year. The project is the East County Center for mentally retarded children.

Mrs. Charles Finch, youth chairman said a list of those planning to have "coffees" include: Mmes. Warren Peterson, president; Charles Finch, Thomas Anderson, William Jackson, John Gibson, Kenneth Hope, Richard Meads and Charles Hampton.

The club also voted to donate all proceeds for a cosmetic show it will hold September 18 to the cause.

An art scholarship of $25 was awarded to Donuald Peters, a Mt. Miguel sophomore.

There will be no regular meetings of the Juniors during summer but social events include a swimming party, a family picnic and a theatre party at the Circle Arts theatre.

Grandparents Agog Over New Bundy Baby

When Rochelle Lynne Bundy was born last week at Central Community hospital in San Diego it put a couple of local grandparents "in orbit."

Mr. and Mrs. T. R. Carlton, of 3176 Central ave., Spring Valley, who formerly operated the L.G. Healthful Foods, are the "out of this world" grandparents. So is the paternal grandma, Mrs. May Mathews of San Diego.

The first-time parents, Mr. and Mrs. (Nancy Carlton) George Bundy of 3218 Central ave., Spring Valley were joining with the first-time grandparents in celebrating the arrival of the seven pound little girl on Thursday.

Both of the new parents attended Mt. Miguel high school prior to their marriage. George Bundy was active as a Kiwanis Key Club member during his high school years.

Two Sides Of Incorporation To Be Heard

The recently organized Spring Valley Democrat Club will present as their first public service a discussion entitled "Should Spring Valley Incorporate? - Pros and Cons". It will be held at Mt. Miguel High School at 7 p.m. Fri., Aug. 11.

So far, citizens of Spring Valley have not had the opportunity to hear both sides at one meeting. Since both sides have been asked to present their viewpoint, it should prove to be an interesting and informative meeting and anyone interested in this vital subject should plan to attend.

WRONG ADDRESS GIVEN

Patrick L. Ball, shown above with his bride, Brenda Jean Nastiaco of Kansas City, is the son of Mr. and Mrs. Jack Ball of 7823 Barton st., Lemon Grove. A story last week mistakenly gave the address of another Ball family in this community. The wedding took place on July 17 in the garden of the Ball home. The best man was David E. Ball, brother of the groom, and maid of honor was Mrs. Raymond Adkins, sister of the groom. Fifty friends and relatives—including out of town guests—attended the wedding and reception which followed in the garden.

200 TO BE VIEWED

San Diego's top visitor attraction — its world-famed Zoo—soon will be exposed to nearly 12,000,000 television homes in the nation as the result of a cooperative effort by the Zoological Society of San Diego and KFMB-TV (Channel 8).

Vancouver's two wins over San Diego Sunday permitted the Canadians to finish with a 16-6 advantage over the Padres for 1961.

Levis, Laces Holding Open Square Dances

The Junior Levis and Laces extend an invitation to all square dancers to dance to the calling of Juan Frank on Thursday nights at the Lemon Grove Women's Clubhouse. Pre-teens dance from 5:45 to 7:15 and the teens from 7:30 to 9.

The Juniors danced recently at the Saddle-Lite's Hard Times dance, the Twilighters dance, at the County Fair at Del Mar and at the Highlighters first anniversary dance on July 26. They held a special dance workshop on July 20.

Monte Vista PTA Selects Theme Of Year

The program theme for the coming year, "Getting To Know You," was chosen at a recent meeting of the program planning committee of the new Monte Vista High School PTA. Taken from the musical, "The King and I," the theme will be used during the year in co-ordination with the school name—Monarchs—which was chosen by the students.

The program theme will be presented for approval at the next executive board meeting on Monday, Aug. 28 at 7:30 p.m. in the school homemaking room.

Those present at the recent meeting in the new school offices are: Stanley McClintic, principal; Mrs. Earl A. Casner, president; Mrs. Sidney J. Kent, program chairman; Mrs. Martin Du Bow, parent education chairman; Mrs. Andrew Gyure, ninth grade chairman; Mrs. Ray Iles, 11th grade chairman, and Mrs. Adam Shawkey, 12th grade chairman.

Huff 'N Puffers Set New Time For Next Dance

Huff 'n Puffers will dance this Friday only from 9-11:30 due to an important meeting to be held in the Spring Valley chamber of commerce hall. Calico Twirlers and Jewel Squares will be guests this Fri., Aug. 4.

Felton "Jonesy" Jones will be calling on Sept. 29, the fifth Friday of the month.

At the last dance a new couple, Dick and Margie Howard, was welcomed into the club. They have been dancing with us for some time and Huff 'n Puffers are happy to have them as members.

The hosts and hostesses this Friday will be Jim and Alice Mathieson and Dave and Connie Barton.

NAVY MOTHER'S MEETING

Navy Mother's Club No. 9 will hold its monthly meeting at the armed services YMCA at 500 W. Broadway on Fri., Aug. 11 at noon. There will be a social hour before the meeting. Mrs. Doris Watts will preside.

BANK STUDY INDICATES UPSWING IN BUSINESS

The first six months of 1961 have been marked by continuous recovery from the recent recession, according to a study by Security First National Bank. Signs of business revival in Southern California were apparent as early as January, while recovery in the nation as a whole did not get under way until March.

Forecasts made at the end of 1960 were that the recession would tend to bottom out during the early months of 1961, with business activity taking a decided upturn at midyear. Thus far these expectations have been fulfilled.

Karlstad Family Singers To Present Great Music

Appearing in a sacred concert at Lemon Grove Lutheran Church on Fri., Aug. 4, at 8 p.m., the Karlstad Family Singers from Tacoma, Wash., will present a sacred program of choral music representative of the great music masters, such as Bach, Brahms, Grieg, Handel, Gretchaninoff, Mendelssohn, Pitoni, and Tchaikowsky. In addition, a variety of national carols and folk songs, together with a group of seasonal hymnodic gems, will be offered.

Originating from a busy parsonage home where singing was made a special family project, the Karlstad Family Singers regard their concert appearances as a mission to promote inspiration for families to do things together. Pastor and Mrs. Alfred M. Karlstad and their five children (Janice, 18, Curtiss, 16; Judy, 13; Elizabeth, 7; and Deborah, 3) set aside one evening each week as "family night," pursuing the difficult task of mastering a wide range of sacred music.

They are spending their summer by traveling through 26 states giving 33 concerts from coast to coast.

New Minister To Be Ordained In Northmont

Rev. Donald O. Fatchett will be ordained on Sunday, August 6, at 7:30 p.m.

The pastor of Northmont Evangelical and Reformed Community Church will be ordained at the services held in the Education Building (now being used as the church).

Rev. Rudolph Allrich, president of the California Synod Evangelical and Reformed Churches, will come from Lodi, Calif. to deliver the ordination address.

Rev. Melvin Dollar, pastor of the Mission Valley United Church of Christ will lead the worship service.

Rev. Douglas P. Koehler, pastor of the Evangelical and Reformed Church of Raseda, Cal. will conduct the installation service.

Rev. George Thilking of

REV. DONALD O. FATCHETT

Wichita, Kas. will help in the communion service.

The service will consist of the ordination, installation, communion, and a reception following.

Rev. Fatchett, who is 29, will also have out-of-town relatives in attendance. His parents will be traveling the farthest, coming from St. Louis, Missouri.

Casa De Oro Baptist Juniors Going To Camp

The junior high and junior girl campers of the Casa de Oro Baptist Church will go to Forest Home Sunday for a week of camp life at Camp Rancho and Indian Village. Miss Judy Anderson will accompany the girls and act as counsellor at the junior girls' camp.

The high school-college age youth will have a beach party this Friday and will meet at the church at 4 p.m. for transportation. Mr. and Mrs. Bart Derrick and Mrs. Lena Anderson, sponsors, will accompany the group.

The Junior High Youth "Leadership Training Bible School" which began July 31 will continue through Friday. It has been five nights of blessing and instruction says Rev. Ernest Anderson, pastor. Mr. and Mrs. Herb Mayer have been in charge and other members of the church have helped to bring the lessons.

BRIDAL SHOWER

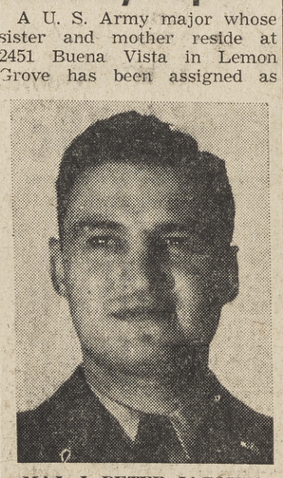
A miscellaneous shower will be held in the social hall of the church on Aug. 8, honoring two brides-to-be; Margy Vultaggio and Brenda Preston. The WMS will be in charge.

New members will be welcomed and given membership certificate packets at the Sunday a.m. service, Aug. 6.

A "rosebud" service was held at last Sunday's morning service. This is a means whereby babies are publicly enrolled in the cradle roll department of the Sunday School. Mrs. William Bradley is cradle roll superintendent.

Jacques Assigned To High Post At Army Depot

A U. S. Army major whose sister and mother reside at 2451 Buena Vista in Lemon Grove has been assigned as



MAJ. J. PETER JACQUES

assistant to the director for warehousing at the mammoth U. S. Army Utah general depot in Ogden, U.

He is Major J. Peter Jacques, son of Mrs. E. R. Jacques and brother of Mrs. A. I. Burke.

Major Jacques is a graduate of the University of California, where he got a degree in management and industry, and also of the University of Alabama, where he earned a master's degree in industrial management.

As a Marine during World War II, he saw combat duty on Guadalcanal, Guam and Bougainville. He entered the army in 1949 and served in Germany prior to his present assignment. He will reside with his wife, Betty, a daughter, Jacquelyn, and a son, Paige, at the depot in Utah.

VLM Sermon Built On Passage From Matthew

"The Face Is Familiar" is the sermon Rev. Davis will present at Vista La Mesa Christian Church this Sunday. It is built around the passage from Matthew's Sermon On The Mount, which says: You will be known by your fruits.

The passage goes on to say that a good tree cannot bear bad fruit and nor can a bad tree bear good fruit.

Church school is at 8:45 and 9:45 a.m. and worship services are at 9:45 and 11 a.m. Church members are invited to attend choir practice Wednesday at 7:30 p.m.

MISSIONARY SOCIETY SPONSORING COFFEE

The Women's Missionary Society of the Bancroft Baptist Church will sponsor a coffee and film, "Children of Darkness," on Tues., Aug. 8. The event will be held in the church auditorium beginning at 7:30 p.m. The public is invited and a free-will offering will be taken. The proceeds go to the East County Chapter for Mentally Retarded Children.

Group Reports How To Improve English Teaching

A Grossmont school district English committee reports that the present program of English instruction in this district places students above the national average, but the committee has suggested ways of improving it even more.

Mrs. Frances Lea, chairman of the Grossmont district English curriculum committee, which includes Raymond Kniss, Robert Danielson, Dan Pumphrey and James Parker, made the report to the board of trustees of this district at a recent meeting.

The new program seeks to do away with repetition in teaching and stresses spelling, writing and speaking skills. It seeks to teach a few concepts thoroughly at each grade level.

The program can be put into effect by a period of in-service training for district teachers.

Birds, Animals Face Fatally Dry Season Here

"The dry weather is beginning to take its toll among birds and small animals in San Diego County," according to Ralph Virden, president of the San Diego Humane Society.

"The Humane Society appeals to all residents in San Diego County to place pans of water in your yards where birds and small animals can easily get a drink," he said.

Virden pointed out that many of the plants from which birds and animals get water have been unable to survive the long dry spell. The animals depend on the moisture in plant leaves for water.

Power Of Spirit Topic At Science Churches Sunday

"Not by might, nor by power, but by my spirit, saith the Lord of hosts." These words from Zechariah (4:6) are the Golden Text of the Sunday Lesson-Sermon on "Spirit" in all Christian Science churches. The spiritual foundation of divine healing will be emphasized in the sermon.

Matthew's Gospel relates how the Pharisees questioned Jesus, "Is it lawful to heal on the sabbath days? that they might accuse him." Jesus said, "What man shall there be among you, that shall have one sheep, and if it fall into a pit on the sabbath day, will he not lay hold on it, and lift it out?. . .Wherefore it is lawful to do well on the sabbath days." Then said he to the man with the withered hand, "Stretch forth thine hand. And he stretched it forth; and it was restored whole, like as the other." (12:10-13)

A special Christian Science radio program is to be presented on KNX on Aug. 6 at 7:30 a.m.

Retired School Custodian Dies

Services for Homer W. Kennedy, 70, a retired custodian for the Lemon Grove school district who lived at 3173 Bancroft st. in Spring Valley, were held Tues., Aug. 1 at 10 a.m. at Conrad's Lemon Grove Mortuary. Interment was in Mt. Hope cemetery.

A native of Massachusettes, Kennedy had lived here eight years. He died July 29.

He is survived by his wife, Emma, and five stepchildren. They are Wilbur Hand, Mrs. Mabel Weining and Mrs. Lillian Allison—all of Lemon Grove—and Mrs. Grace Roberts of Northridge, Cal., and Mrs. Mildren Beibel of Irvington, N.J.

Services Held For Telephone Operator

Private services for Fannie Austin, 80, of a resthome at 3315 Central, Spring Valley, were held Aug. 2 at the Conrad Lemon Grove Mortuary. Cremation followed the services.

A former telephone operator at Camp Kearney, Miss Austin had lived in this area for 37 years. She was a native of Michigan.

GOD'S MINUTE

REV. H. C. BAKKEN

"LIFE"

Spiritual life must be exercised to remain strong and healthy. We exercise our spiritual life by living dynamic Christian lives. This begins with disciplined Bible reading. It is further disciplined by prayer. Prayer is talking to God. It will express itself by telling others about Jesus Christ. It will resist what is wrong and encourage the right.

News and Views from Spring Valley

By Tommy Thomas

Affair Is Hawaiian For 100 Valleyites

If you could imagine Bancroft Point as Diamondhead and the Carman Ranch Club as maybe, Waikiki Beach, then you would be having a "local Hawaiian holiday." At least that's how over 100 Valleyites felt recently at the Hawaiian luau at Carman Ranch. The affair was held at a fund-raising program to help pay for the S.V. survey by the Governmental Affairs Research Institute of State College.

There was plenty to eat and plenty of good music, dancing and swimming. Also, it was a holiday for "shutterbugs." To top it off, several leis of ginger flowers were flown in by jet and delivered to the club for the event.

Entertainment did I say? Local talent and others. A lot of credit goes to Audrey Stephens of Lakeside and Santee for bringing her group of students to add "just that touch" to get things under way. A group calling themselves the "Beachcombers" with three guitars and drums played music that put everyone in a dancing mood. The Beachcombers were comprised of Bill Jordan, Buddy Sluss and Toni Hamm with guitars and Steve Karo on the drums. Another Stephens student was Bob Frank of La Mesa, who did a splendid job with the accordion.

Ginger Crocker Dances

Ginger Crocker of Central avenue, Spring Valley, was with a group of Stephens dancers who enthralled the crowd with their exotic interpretations. The other girls were Jean Martin La Mesa, Patty Torrible L.M., Laurie Day, El Cajon, and Ladine Yowell, E.C.

Closing the show were the "Islandaires," a local family which has been here about five years from "The Islands." This group was comprised of three La Questa boys from Eileen st., South Spring Valley, namely, Roy, Jerry and Leonard, and their uncle John. All played guitars and other Hawaiian instruments and sang many songs of the islands, including "Beyond the Reef." Mrs. Ennis (Charlotte La Questa, the wife of one of the brothers, interpreted, in dance, much of the life of our island friends. It was beautiful.

RELATIVES MAKE LEIS

Incidently, a grandfather and two uncles of the La Questa boys were responsible for the ginger flower leis, as these relatives came along on the jet for a couple of weeks vacation.

Last, but not least, I must mention the delicious food and plenty of it. For you who have been to feasts in the islands, you more than likely remember the rice that is served from the turtle shell. Yes, they had one of those at the Spring Valley luau and the rice served by several beautiful, efficient Spring Valley ladies. Aloha, may we meet again at another such affair.

Biological War On

So the fight's on. At one time there was quite a bit of bragging between Florida and California. Then the great state of you-know-where, claimed to have the biggest of everything. At least that's what the comedians used to say.

Now here is this area, a couple in Lemon Grove recently had their picture in the paper to show the size of banana squashes they grew in their backyard. The largest squash was 23 inches long.

Following on the heels of that bit of information comes word from a Spring Valley man, Morris Nunez, of 9221 Carthay Circle, that his squash can top that of Lemon Grove; the Nunez squash being 45 inches long, but the same number of pounds (34) as the L.G. squash.

Anyhow, it's good competition and a lot of fun—which goes to show that local agricultural interest is a long way from being dead.

SYMPATHY EXTENDED

I want to extend our deepest sympathy to Mr. and Mrs. Joseph Gray of 10061 Buena Vista dr. Mrs. Gray was taken to Mercy hospital on July 24. She gave premature birth (6 mos.) to twin girls. The babies, named Kathleen and Mary, lived only a day and were buried in Holy Cross Cemetery. They were baptized before they passed away.

Mrs. Gray is a member of the Casa de Oro Woman's Club.

Crime Reporter Vacations By Jet

Our "crime" reporter Betty Seymour Robinson has just returned from a vacation trip to San Francisco area. She said she had a good time (outside of catching the flu bug).

Her traveling was done both ways by jet plane and she recommends that mode of travel, as it took her only 1½ hours each way. She said plans are underway to reduce the flight to one hour.

In Berkeley she stayed at the home of Mr. and Mrs. James Turner, friends of long standing. While there she took in a concert at the Alfred Hertz hall at the University of Calif. The hall was named for the late conductor.

A bit of local color was added to Betty's trip; she visited Mr. and Mrs. Fred Hall and daughter, formerly of Crane st., Lemon Grove. Mr. Hall will be remembered here as a member of Cunocar Accounting Co. He was also in the San Diego Officers Association of WWI Veterans, and did a lot of post-war work. He retired from the army as a Colonel. The Hall daughter is "foreign" secretary for the University of California at Davis.

—o—

Mrs. Pearl Moore, mother of our own Bill Rogers of 3654 South Bonita st., in the Casa de Oro area has been visiting her son recently. Also on the visiting list were Mr. and Mrs. (Glen and Arvetta) Rogers, Bill's brother and sis-in-law respectively. The visiting trio are from Peoria, Ill., and have been here before.

—o—

Our prayers and good thoughts go out to Mrs. Jess (Gladys) Collins of 9258 Kenwood dr., who has been in Grossmont hospital due to major surgery. I understand she has had a hard struggle. No visitors are allowed so far, I was told.

—o—

Also in Grossmont hospital is Joe ("Sparky") Sparks, the Spring Valley mailman who serves the south area of Spring Valley. "Sparky" is in Room 253 for an operation.

SUSIE THIPPS TRIP GRADUATION PRESENT

Miss Susan Thipps, 17, of La Grange Park, Ill., has been a recent visitor to the Kenneth and Ralph Tresser Jr. homes, of Brookside ct. and Campo rd. Miss Thipps was here two years ago with her folks. This year's trip is a high school graduation present. Incidently, Mrs. Thipps, Susan's mother, used to take care of the Tresser brothers when they were tots.

Mrs. Bob (Nancy) Manthei, who with her husband has opened the new jewelry shop on Bancroft dr. and was a playmate of the Tresser boys back in Indiana.

Valleyites Celebrate Wedding Anniversaries

Three wedding anniversaries reported for the first week of August.

Aug. 2. Mr. and Mrs. (Richard and Dorothy) Campbell, 10544 Challenge blvd., Homelands (La Mesa), their 18th. Married in Beverly Hills, they have been here six years.

Aug. 3. Mr. and Mrs. (Philip and Margery) Mathewson, 9565 Lamar st., their 21st. Married in Steubenville, Ohio, they have been here six years.

Aug. 5. Mr. and Mrs. (Dale and Reta) Hulett, 9026 Lemon st., their 23rd. Married in Denver, Colo., they have been here 15 years.

Sorry, but I must have slipped up on this one. Mr. and Mrs. (Earl and Carol) Casner of 3608 S. Granada, celebrated their "Silver Wedding Anniversary" on July 3.

Grove Girl In Davis Training

VET-TO-BE — Kay Gullikson (right) of 1313 Lincoln Place, Lemon Grove, a preveterinary student at the University of California at Davis, is shown with Dr. G. T. Clark of San Diego checking a dog's leg. Kay is working for the summer for Dr. Clark as part of a U. C. program to give its students practical experience.
She is a former student of Mt. Miguel high school who plans to become a veterinarian when she completes work at Davis.
The Davis program provides a unique opportunity for students from non-agricultural areas to obtain agricultural skills by spending the summer as student farmers, ranchers and veterinarians.

Grossmont Junior College Taking Applications For Fall Semester

Applications are now being accepted for fall enrollment at Grossmont College. A simplified procedure for making application to Grossmont College was announced today by Laurance E. Coons, Dean of Admissions:

1. Students should contact the Dean of Admissions Office at the Grossmont High School District office (HO 5-3131, extension 272) for an application, which will be mailed out on request. The application should be returned.

2. Arrangements should be made to have all transcripts of previous high school and college work forwarded to the admissions office.

3. The placement examination must be completed. It will next be given on Thursday, Aug. 17, at 8:30 a.m. or 7 p.m. on the Monte Vista Campus at 3250 Sweetwater Springs blvd., Spring Valley.

Grossmont College will offer a complete freshman program for students planning on transfer to four year institutions. Dean of admissions and guidance, Laurance E. Coons, also points out that pre-employment programs leading to the Associate in Arts degree are being offered in many business areas, including a new course offering an introduction to date processing. Architectural drafting is a special two year program also included in the curricula for this inaugural year.

S.V. Lady Loses Hide-Seek Game With Sheriff

The law emerged the victor when Sheriff Sgt. L. P. McKenzie found himself in a hide-and-seek game with an allegedly inebriated lady at 12:50 a.m. Saturday while making a routine check of Spring Valley bars.

When he attempted to take Marian Elaine Kessler into custody at a bar at Campo and Bancroft rds., Spring Valley, she suddenly disappeared.

She reappeared later behind a utility pole outside, then she disappeared in a clump of bushes. She later reappeared in a neighboring back yard.

En route County Jail she attempted to kick a window out of the police car and a police matron was required to remove her from the car. She said she lives at 9362 La-Mar st., Spring Valley.

Hegland Sets Speech Schedule

Assemblyman Sheridan Hegland (D-77th) has been booked for three speaking engagements in this area during the next two weeks.

On August 9 he speaks before the Spring Valley Kiwanis club at a breakfast meeting. The next day he addresses the Mt. Helix Hi-12 club at noon at Michael's in Lemon Grove. August 12 he will talk to the L.G. Rotary club at noon at Michael's.

Tax Forms Get Rejuvenation

R. A. Riddell, district director of Internal Revenue, announced that, as an initial step in improving the individual income tax return, the better features of both Forms 1040 and 1040W will be utilized in developing a new Form 1040 for 1961.

Form 1040W will be discontinued as a separate form. No major changes are contemplated for the punch card Form 1040A.

Form 1040 is the general purpose individual income tax return, whereas the two-page Form 1040W was introduced in 1959 for use by individual taxpayers whose incomes consist primarily of wages.

Details of the revision of Form 1040 for 1961 will be announced well before the filing period.

District Director Riddell also advised that existing stocks of the Withholding Tax Statement, Form W-2 for 1961, are still usable, notwithstanding the reference on such form to Form 1040W.

Ferry Bros. Continues Winning Streak As SV League Season Nears End

Ferry Bros. chalked up their seventh win this week. With only three more games for them to play in the second half of this season, tension and excitement is mounting throughout the Spring Valley Little League.

On July 24 the **Meteors** played errorless ball as they edged the Solars 9-8. Dave Zimmerman, with help from Frank Doughty, was winning pitcher. On July 25 **Watson's Richfield** scored seven times in the fourth inning to register a come from behind win over **Spring Valley Estates**, 8-4. Tom Faris was winning pitcher, as he tossed a two hitter and struck out 12. **Estates** lost the services of Mike Gunter due to an injury. Mike holds the league's single game strike out record of 14.

COSMICS WIN

On July 27 the **Cosmics** collected 17 runs in the first inning and coasted to a 23-10 victory over **Astros.** Steve Bailey registered his fourth win of the season against five losses. **Ferry** rolled on to their 14th win of the season on July 28 as they defeated **Noble's Market** 8-4. Craig Botzer struck out 12 as he pitched the full six innings for the win.

On July 29 **Midget Market** came from behind to score an 8-6 win over **Solars.** Mike Garrison was winning pitcher, and he was helped by Charles Bray who had three hits in three times at bat. The second game of the day found **De Falco Food Giant** playing errorless ball to emerge with a 24-8 win over the **Spring Valley Merchants.**

WEIGELT WINS

Johnny Weigelt gets credit for the win. Ray Gill collected a double and two singles for the Merchants. In the third game, the **Spacers** assumed their role of the spoilers as they outlasted the **Meteors** 16-11. Freddy Medrano was winning pitcher, but he received help from the bat of Sam Nechochea, who banged out two singles in three trips. Dave Ryan was big gun for the **Meteors** with a triple and a single.

Scott Store Sets New Hours

Walker Scott College Grove is now open five evenings a week to 9:30, Monday through Friday, as announced by George A. Scott, president of Walker Scott Company.

"This decision was reached after long study of shopping habits in San Diego. Then recently two of our executives attended a seminar where merchants from far and near reported research on shopping centers which confirmed our findings on a nation-wide scope.

"Actually on a national basis, a very substantial part of retail business is done after 4:30 p.m.—and the trend seems to be mounting rapidly," he said.

In addition to operating the two Walker-Scott stores, George Scott is a director of the L.G. chamber of commerce.

100 Outsiders Vying In Tennis Tourney

San Diego County's outstanding tennis talent will face some 100 invaders from both Southern and Northern California, Arizona and Hawaii at the San Diego Metropolitan Junior Tennis Championships Aug. 9-13 at Morley Field in Balboa Park.

The tourney climaxing the spring and summer tennis season for juniors, is sponsored by the San Diego Tennis Patrons and the San Diego Junior Chamber of Commerce as well as the Balboa Tennis Club.

Albacore Take Encore In 17th Week Of Derby

Albacore again stole the show in the 17th week of competition in the 15th annual San Diego Yellowtail Derby. The five top prize-winning fish, with a combined weight of over 172 pounds, were longfins, according to Andy Grayner, chairman of the Derby, sponsored by the San Diego Junior Chamber of Commerce.

Gene Kelly, 629 South Hill St., Los Angeles, was top man with a 36-lb. 12-oz. albacore, taken aboard the Sundown. Kelly won a portable television set.

Runnerup honors went to A. Holiday, 5720 Gentry, North Hollywood, who fished from the Betty Lou to take his 34-lb. 7-oz. albie. Second prize includes a Langley Dyna-Matic reel, rod, Maxima fishing line and Cornell auto tire.

Third place albacore was a 34-lb. 6-oz. fish, caught by Lawrence Cooksey, 5105 Muscatel ave., San Gabriel, aboard Captain Midnight. He will receive a Wright & McGill spinrod, hook supply, Centaure spinreel, Western fishing line, Roddy lure and a Langley Fisherman's De-Liar.

Chargers Brace For Title Re-Run

SAN DIEGO, July 31—A rerun of the American Football League's first championship game is in the offing Sunday, Aug. 6, when the San Diego Chargers entertain the Houston Oilers to mark San Diego's official entrance into the AFL.

The Western Division champion Chargers are eager to avenge their title game loss of 24-16 to the AFL kingpin oilers and expect a "sellout" crowd of 18,000 to be in attendance at Balboa Stadium for the 1:30 p.m. kickoff.

A far larger turnout would be assured except for the stadium's facilities, presently being renovated to hold approximately 35,000 persons, are more than a month and a half away from constructional completion.

With only two weeks of preparation under their belts by the opening whistle, the Chargers, at their University of San Diego training camp, and the Oilers, at Ellington Field in Houston, are on a crash program to assure readiness for the contest that will see the winner take a 3-2 advantage in the inter-club series.

The two clubs split a pair of regular season games, with the Oilers winning the "big one" in the title tilt and the Chargers a pre-season affair.

VET AT QUARTERBACK

Once again, it will be venerable George Blanda, a 12-year veteran of professional football wars, at quarterback for the Oilers with capable sophomore Jacky Lee waiting in the wings. Blanda, who also handles the Oiler place-kicking duties, finished seventh in AFL passing statistics and second in scoring with 115 points, only eight shy of the amassed by Denver's Gene Mingo, although being sidelined late in the season with an ankle injury.

Oiler coach Lou Rymkus numbers among his corps of receivers such standouts as Bill Groman, the AFL's No. 2 passcatcher in 1960 with 72 receptions for 1,473 yards and a 20.5-yard average per completion, Willard Dewveall, an All-National Football League end with the Chicago Bears who will be making his debut in the Oiler blue, Charlie Hennigan, a 9.7 sprinter, and rookie Robert McLeod, from Abilene Christian.

LAKESIDE HOSTING S. CAL. HORSE SHOW

Horsemen from all over Southern California will participate in the eighth annual El Cajon Lions Club Horseshow Sunday, Aug. 6 from 9 a.m. to 5 p.m. at the Tumbleweeds' Ring at Willow Glen road and Barona road in Lakeside. All proceeds of the show will go to the funds for the clubs scholarships and aid to the blind. Admission is free.

SV Pony All-Stars Nosed Out In Amazing 1-0 Game

The Spring Valley Pony League All-Stars were nosed out this week after playing right up to the wire. The blow came Sunday in the last game of a double-header with Chula Vista. The game, a tight one, ended with a 1 to 0 score, with Chula Vista's hurler, Bill Miller, doing an outstanding job on the mound. He allowed only six hits, but enough to lose the game. Chula Vista will now play La Mesa, the game being scheduled for Thursday at 8 p.m. on the Helix High School diamond.

In the first game of the double-header on Sunday, Ronnie Thomas, who has been pitching outstanding ball all season, pitched a no-hitter, with a final tally of 2 to 0. But for two walks, Thomas would have pitched a perfect game. There was only one error recorded.

The last three games in which Spring Valley participated were errorless for the Valleyites.

Here is the run-down of other games:

July 27. El Cajon, 4, Spring Valley, 2. The game was 2-2, till the end of the seventh inning. Then Perry Peters of the E.C. boys stepped up to the plate and slammed out a homer with one man on. In that game, SV's Ronnie Thomas pitched a five-hitter.

July 28. Spring Valley, 12, Southeast Chula Vista, 2, with Baggett winning on the mound.

On Saturday El Cajon lost to Chula Vista in the early game, making the next game between Chula Vista and Spring Valley. In that game, SV's Mark Conta pitched a one-hitter, allowing the Valleyites to win by a score of 2 to 0, with Ronnie Westcott driving in both the runs.

LG Little League All-Stars Eliminated In Tough 4-3 Game

Opposing Pitcher Stymies Locals; Rally Too Late

The Lemon Grove Little League All - Stars were knocked out of the tournament race in their second game here July 28. The opponent's pitcher, Sterling Garrett, held the Grovers scoreless until the fifth inning.

However, final score was Southeastern, 4, Lemon Grove 3.

The game was a shock in view of the 9-0 game Grove won over Sweetwater. That was the local team's first try in the All-Star Tournament.

In the July 28 game, Gary Frohn hit a single in the fifth which was followed by a homer by Randy Clark. This rally by Lemon Grove didn't come soon enough however. Despite one run in the sixth.

GRAHAM SINGLES

In that inning Phil Graham hit a single which put him on second due to an error in the field. By stealing third base and then running home on a passed ball he brought the score to three. Final score SE 4—LG 3.

Saturday's game was then played by Southeastern against San Diego American, winner of Thursday's game against National City Nationals. Final score of Saturday's game was SD American 5, Southeastern 2. This ends the tournament games at the local field and district 42 winner, SD Americans, moves on to Ocean Beach for the next round.

Lemon Grove will now be represented by the Dodgers, season champions, in the county tournament which begins on August 14. The final standings for the major teams were as follows:

Team	Won	Lost
DODGERS	18	3
INDIANS	13	8
TIGERS	12	9
BRAVES	11	10
YANKEES	11	10
CUBS	8	13
ORIOLES	7	14
PIRATES	4	17

The general meeting of the Lemon Grove Little League will be at San Altos school at 8 p.m. on Mon., Aug. 7. The nominating committee will present a slate of nominees for the membership to act upon. Nominations from the floor will also be taken at that time. Various trophies will also be presented at this meeting so all members and little leaguers are urged to attend.

District Awards School Room Equipment Contracts

The board of trustees of the La Mesa-Spring Valley School District last Saturday awarded contracts to the Virco Co. for chairs, desks and reading tables to the amount of $18,002.35. The Educator's Furniture Co. was awarded a contract amounting to $1,881.25 for teachers' desks.

The Brunswick Co. was awarded their contract for the amount of $3,012.48 for tablet arm-chairs, teachers and office chairs, home economics and library tables.

Parkway Junior High School will get the bulk of the furniture — $13,521.65 worth — and the balance will be divided between Lemon Avenue, Rolando and Spring Valley elementary schools.

AUGUST SUGGESTIONS

Watch carefully for spider and mite infestation, especially on plants having large, thin leaves such as dahlias; such foliage is easy for red spider to attack and break down. The red castor bean, used so much in plantings because of the color, is especially susceptible and it is hard to see the red spider on this plant because of similarity of color of plant and insects. A spray containing kelthane spider smite will destroy both spiders and mites without doing any harm to the beneficial predators or friendly enemies which help to fight spider and mite in our gardens.

August is the right time to mulch annuals because the hot sun destroys the feeder roots which grow close to the surface of the ground. Any good mulch spread over the root-growing area will protect these fiber roots and also help to retain the moisture you give in the form of irrigation, thus assisting the plants to survive the hot summer weather.

STATEMENT INCORRECT

Padre President James Mulvaney branded Ex-Padre Manager Jimmie Reese's statement that he had been forced to resign as "extremely inaccurate." Mulvaney and Reese could have remained the entire season, but said he was glad Reese had resigned because he feared he would have a coronary or a perforated ulcer the way things

Is there a "healing hormone?" American Cancer Society research at the University of Oregon Medical School indicates that there is. It seems to be produced in tissues around the wound, not in the wound or in distant organs.

Lions Win As LG Minors End Season

Bears' Lee Smacks Only Homer Of Season

The Lemon Grove Little League Minors wound up their season last week with Louis Lee of the **Bears** making the only home run of the season in the last game with the Acorns.

A play-off between the Lions and the Acorns, tied for first place, resulted in victory for the **Lions** as winners of the second half. The **Lions** and the **Mounties,** winners of the first half, battled it out for the Minor League championship in two well-fought games.

On July 24 the **Mounties** won with a score of 6 to 1. Tim Halley was winning pitcher. On July 25 the **Mounties** again won with a score of 17-7, giving them the championship. Allen Pudsey was winning pitcher.

Final standings in the minors:

Team	Won	Lost
Lions	8	3
Acorns	7	4
Rainiers	5	5
Bears	4	6
Mounties	4	6
Colts	3	7

INTERMEDIATES WIND UP

In the Intermediate League a highly successful season was wound up with two exciting games being played between the **Stars**—winners of the first half—and the **Solons,** winners of the second half.

Previously the **Solons** and **Angels** were tied for first and had to play an elimination game which ended 13 to 2 in favor of the **Solons.** Randy Hamilton was winning pitcher.

Both play-off games were won by the **Solons,** the first by pitcher8-2. (Hamilton was again winning pitcher) and the second by a score of 21 to 8 (Mike Bugel was winning pitcher), making the **Solons** champions of the season.

MEETING TO SLATE NEXT SEASON'S OFFICERS

The Spring Valley Little League regular membership meeting will be August 9 at 8 p.m. in the home of Jim Jordan, 1543 Gowin st. A nominating committee will be elected then to prepare next year's slate of officers for Spring Valley Little League.

SV LITTLE LEAGUE TO PICK TOP PLAYERS

Coaches and managers of teams in Spring Valley Little League will select the five best players of each team for the All-Stars game of August 26. According to end-of-season standings, players from teams in first, third and sixth place will be pitted against those from teams in second, fourth and fifth place. Names are to be announced.
